PRE-PURCHASE INSPECTION REPORT

Watch Manufacturer: Audemars Piguet **Year of watch:** 1990S
Material of Watch: Stainless Steel **Serial/unique ref:**
Watch model/reference: 56175ST
Accessories included: Comes with watch only

1. Basic condition and originality of the exterior of the watch

The watch is in good condition. There are normal signs of wear with swirl marks and not significant denting on case. The watch has fair wear to the case where there are a few significant scratches across the bezel and case but it remains thick despite normal usage and scratches. Bezel remains relatively thick and sharp and the bracelet has normal stretch with 6 removable links.

2. Basic condition and originality of dial

The dial appears to be in excellent condition and is the period correct dial. There are some signs of oxidisation on dial where the dial have aged but all the lettering are intact on the dial and remains in excellent condition. Dial and hands appears to be in good overall condition with slight oxidisation on the "Swiss Made" dial and no major scratches on dial from inspection.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in normal working order upon change of batteries. The caseback was removed and the movement was observed which appears to be original and in fair condition. The watch have been tested against a timegrapher which shows the watch is in normal running order although servicing on the quartz movement upon purchase is recommended for vintage pieces.

4. Basic condition and originality of accessories

The watch comes watch only with Audemars Piguet service case.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
