PRE-PURCHASE INSPECTION REPORT

Watch Manufacturer: Rolex **Year of watch:** 2022
Material of Watch: Stainless Steel **Serial/unique ref:**
Watch model/reference: 126610LV
Accessories included: Full set box and warranty card

1. Basic condition and originality of the exterior of the watch

The watch is in near mint condition. The case appears to be worn a few times only with no major dent or scratches. The watch case appears to be in its original form with no polishing done previously with the case in mint condition with only a few hairline across the polished surfaces and no scratches across the bezel and lugs. The original stainless steel oyster bracelet is in mint condition as well and shows little to no sign of wear.

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch with all no damage. The hands does not appear to be damaged and are in the original form. There are no visible damage to the dial and no oxidisation in mint condition.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in normal working order with no signs of damage on movement. The movement was not inspected visually as the watch is in mint condition and caseback was not removed but is believed to be true to the watch and caseback appears to have been never opened in mint condition. A service is not recommended upon purchase as the watch is from 2022 and does not need a service imminently.

4. Basic condition and originality of accessories

The watch comes with full set inner and outer box with warranty booklet with warranty card. The watch also comes with full links with original plastic bezel protector included and a few remaining factory stickers on watch.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
