PRE-PURCHASE INSPECTION REPORT

Watch Manufacturer: Urwerk **Year of watch:** 2020
Material of Watch: Titanium **Serial/unique ref:**
Watch model/reference: UR100 limited edition 25pc
Accessories included: Full Set box, warranty card and accessories

1. Basic condition and originality of the exterior of the watch

The watch is in great condition. The case appears to worn with minimal wear and there are no obvious scratches or large dents across the case with some wearing across the bevels on the lugs and micro-dents across these areas. The watch appears to have never been polished with the case still in the original shape and retains its original bezel and thickness as well. The fabric strap appears to be in great condition with some damage from normal wear and slight bend with the original Urwerk buckle

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch and appears to be in mint condition. There are no signs of the case being opened previously by external watchmaker and the hands appears to be original and is in mint condition as well. There are no signs of oxidation on the dial.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in good working order with movement in good condition. The movement was inspected visually through the open sapphire caseback and was checked against a timegrapher and appears in good order. A service is recommended upon purchase as there are no service records included and watch is from 2020.

4. Basic condition and originality of accessories

The watch comes with all the original accessories, the original receipt from Hong Kong dealership, inner and outer box and booklets.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
