PRE-PURCHASE INSPECTION REPORT

Watch Manufacturer:	Rolex	Year of watch:	1974
Material of Watch:	Yellow Gold	Serial/unique ref:	
Watch model/reference:	1807		
Accessories included:	Comes with watch only		

1. Basic condition and originality of the exterior of the watch

The watch is in great condition. The case appears to be worn with some wear and there are some more scratches with few more significant dents across the lugs and bezel and side of case. The watch appears to have been polished previously but with the case still in the original shape and retains decent thickness and original bezel as well. The bark finished president bracelet matches the 1807 reference and appears to have some stretch but not too significant and retains some thickness.

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch and appears to be in great condition with some oxidation and patina to the lumes. There are few small marks on the dial but not significant. The caseback is original to the watch and have been previously opened by external watchmaker and the hands appears to be original and is in great condition with similar oxidation to dial along with some handling marks assuming from servicing.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in normal working order with movement in normal condition. The movement was fully inspected with the caseback and was checked against a timegrapher and appears in good order. A service is recommended upon purchase as there are no service record paperwork since the watch was first purchased.

4. Basic condition and originality of accessories

The watch comes with watch only with 2 removable links.
