PRE-PURCHASE INSPECTION REPORT

Watch Manufacturer: Omega **Year of watch:** 2024
Material of Watch: Stainless Steel **Serial/unique ref:**
Watch model/reference: Speedmaster "First Omega in Space" 310.30.40.50.06.001
Accessories included: Comes with full set box, warranty card and accessories

I. Basic condition and originality of the exterior of the watch

The watch is in near mint condition. The case appears to worn a handful of times with no wear and there are little to no hairline scratches or dents across the case. The watch appears to have never been polished with the case still in the original shape and retains its original bezel and thickness as well. The original stainless bracelet appears to be in mint condition with no major damage with a few minor scuffs and scratches on clasp.

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch and appears to be in mint condition. There are no signs of the case being opened previously by external watchmaker and the hands appears to be original and is in mint condition as well. There are no signs of oxidation on the dial.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in excellent working order with movement in excellent condition. The movement was not inspected visually due to the solid caseback and case appears to have never been opened. Watch was checked against a timegrapher and appears in good order. A service is not recommended upon purchase as the watch is from 2024.

4. Basic condition and originality of accessories

The watch comes with all the original accessories, box and warranty card dated year 2024.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
