I. Basic condition and originality of the exterior of the watch

The watch is in good condition. The case appears to have some wear and there are small scuffing across the side and bezel of case with a few more significant ones across the case and bezel. The watch appears to have little to no signs of polishing with the case retaining its thick bezel and case thickness. The factory original leather strap have moderate wear with some darkening in leather with the Breguet stainless steel deployant clasp in good condition with some hairline scratches.

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch and appears to be in excellent condition. There are signs of the case being opened previously by external watchmaker and the hands appears to be original. There are very slight signs of oxidation on the dial with no apparent cracks or damage.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in fair working order with movement in fair condition. The movement was inspected visually through the sapphire caseback and the watch was checked against a timegrapher and is in fair order and a service is highly recommended upon purchase as the watch does not have servicing history and was bought in 2016.

4. Basic condition and originality of accessories

The watch comes with full set box and warranty papers and booklets with extra set of black rubber strap from Breguet.
