PRE-PURCHASE INSPECTION REPORT

**Watch Manufacturer:** Rolex                      **Year of watch:** Year 1986  
**Material of Watch:** Stainless steel              **Serial/unique ref:**  
**Watch model/reference:** Daytona 6263 "Big Red"  
**Accessories included:** Comes with watch only.

**I. Basic condition and originality of the exterior of the watch**

The watch is in great condition. The case appears to have normal wear but there are no major damage or large dents across the case. The watch appears to have obvious signs of polishing but with the case remaining its original thickness and lugs are fairly good condition. The bracelet is fitted with the correct end-links with reference 571 and there are 12 total links.

**2. Basic condition and originality of dial**

The dial of the watch appears to be in good condition with some signs of patina (aging) to the subdials and also the lume plots. There are some scuffing on the subdials of the dial with slight creaminess to the sub-dials but overall in a fair condition. The case have been opened previously by external watchmaker but everything including the hands appears to be in good condition with the lumes on hands aged to a dark yellow hue.

**3. Basic condition and originality of internal mechanisms of the watch**

The watch is in fair working order with movement in good condition. The movement was inspected visually with the solid caseback removed and the watch was checked against a timegrapher and is in normal order. There are some normal scuffing and scratches across the movement but it is in good overall condition. A service is recommended upon purchase as the watch does not have any records of servicing or maintenance.

**4. Basic condition and originality of accessories**

Comes with watch only.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist.
