HOROLOGIST  
In Partnership with WatchCollecting

PRE-PURCHASE INSPECTION REPORT

**Watch Manufacturer:** Omega                      **Year of watch:** Year 1967 circa  
**Material of Watch:** Stainless steel              **Serial/unique ref:**  
**Watch model/reference:** Speedmaster 145.012  
**Accessories included:** Comes with watch only

**I. Basic condition and details of the exterior of the watch**

The watch is in fair condition. The case appears to have heavy wear with normal usage and there are damage and scuffing across the case with obvious signs of swirl marks over case. The watch appears to have some signs of polishing previously but with the case in decent thickness and shape. There appears to be some scuffing on crystal but not significant and the watch does not come with original steel bracelet and comes in aftermarket strap and buckle.

**2. Basic condition and details of dial**

The dial of the watch appears to be original and appears to be in decent overall condition. The lumes of the watch remains intact and aged to a nice yellow hue with the hands having a slightly darker hue. There are signs of the case being opened previously by external watchmaker but hands appears to be original.

**3. Basic condition and details of internal mechanisms of the watch**

The watch is in regular working order and the movement was visually inspected movement in slightly aged condition with some parts partially stained and slight marks from previous servicing. A service is highly recommended upon purchase as there are no record of the watch being recently serviced and chronograph function was not fully inspected.

**4. Basic condition and details of accessories**

Comes with watch only and aftermarket leather strap and buckle.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
