Watch model/reference:	Daytona Oysterflex 116515LN		
Accessories included:	Comes with full set box and card		

I. Basic condition and details of the exterior of the watch

The watch is in great condition. The case appears to have some normal wear but there are no major damage and normal scuffing and swirl marks across the side of case with minor signs of swirl marks on caseback. The watch appears to have no signs of polishing with the ceramics bezel in excellent condition, case retaining original thickness and shape in original condition. The factory original Rolex rubber strap shows some signs of wear, where the clasp shows more significant signs of wear with more obvious scratches and minor dents.

2. Basic condition and details of dial

The dial of the watch appears to be original to the watch and appears to be in excellent condition. There are no obvious signs of the case being opened previously by external watchmaker and hands appears to be original. There are no signs of aging to the dial.

3. Basic condition and details of internal mechanisms of the watch

The watch is in normal working order with movement in good condition. The movement was not visually inspected as the caseback was not removed, the watch was checked against a timegrapher and is in normal order. A service is recommended upon purchase as the watch was bought in 2017 and there are no official service records.

4. Basic condition and details of accessories

Comes with outer and inner box and warranty card.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
