I. Basic condition and details of the exterior of the watch

The watch is in great condition. The case appears to have some wear where there are no major damage and some minimal scuffing and swirl marks across the side of case with minor swirl marks on caseback with sticker on. The watch appears to have no signs of polishing with the stainless steel case edges in great condition with no major dents or deep scratches. Case retaining original thickness and shape in original condition. The factory original stainless steel bracelet shows some signs of wear that is minimal, where the clasp shows minimal signs of wear as well with a partial sticker.

2. Basic condition and details of dial

The dial of the watch appears to be original to the watch and appears to be in excellent condition. There are no obvious signs of the case being opened previously by external watchmaker and hands appears to be original. There are no signs of aging to the dial.

3. Basic condition and details of internal mechanisms of the watch

The watch is in normal working order with movement in normal condition. The movement was not visually inspected as the watch comes with solid caseback and due to condition of watch we did not open caseback for inspection, the watch was checked against a timegrapher and is in normal order. A service is recommended upon purchase as the watch was bought in 2018 and there are not official record of servicing included.

4. Basic condition and details of accessories

Comes with outer and inner box, warranty card and booklets (6 removable links)

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.
