I. Basic condition and originality of the exterior of the watch

The watch is in near mint condition. The case appears to have little to no wear and there are no scuffing or damage across the side and bezel of case with a few insignificant hairline scratches across the case. The watch appears to have no signs of polishing with the case retaining its thick bezel, case thickness and sharpness. The factory original integrated bracelet have no wear with little to no hairline scratches and is also in overall mint condition.

2. Basic condition and originality of dial

The dial of the watch appears to be original to the watch and appears to be in mint condition. There are no signs of the case being opened previously by external watchmaker and the hands appears to be original. There are no apparent cracks or damage to the green dial.

3. Basic condition and originality of internal mechanisms of the watch

The watch is in excellent working order with movement in excellent condition. The movement was inspected visually through the sapphire caseback and the watch was checked against a timegrapher and is in excellent order and a service is not recommended immediately upon purchase as the was bought in 2021 and is in excellent condition.

4. Basic condition and originality of accessories

The watch comes with full set box and warranty card and booklets with full links and hangtags from dealership.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
