I. Basic condition and details of the exterior of the watch

The watch is in good general condition. The case appears to have some regular wear where there are no major damage and small scuffing and swirl marks across the lugs and side of case. There are no obvious signs of deep polishing with the bezel and bevel edges in good condition with no major dents or deep scratches and little to no micro scratches and dents only. Case retaining good thickness and shape in original condition with the original Omega bracelet showing some small signs of wear where the clasp is worn with normal swirl marks and small scuffs as well.

2. Basic condition and details of dial

The dial of the watch appears to be original to the watch and appears to be in excellent condition. There are no signs of the watch or dial being serviced previously by external watchmaker and hands appears to be original and parts appears to be in fantastic condition. There are little signs of aging and oxidation to the dial.

3. Basic condition and details of internal mechanisms of the watch

The watch is in normal working order with movement in fair running condition. The movement was visually inspected by opening the caseback. The watch was checked against a timegrapher and is in fair order. A service is recommended upon purchase as the watch is from 2010s.

4. Basic condition and details of accessories

Comes with full set, box, booklets, warranty card dated 2011, pusher pin, full links, extra gift-set Omega fountain pen and with quotation for service at Omega dated year 2017.

Important notice:

This Report contains observations following a visual inspection of the watch and its accessories (the Watch) by The Horologist. It does not constitute any form of fact, warranty or guarantee, either express or implied, regarding the condition, originality, authenticity, or performance of the Watch.

The user of this Report acknowledges and agrees that the information provided herein is subject to limitations inherent in any visual inspection and may not reveal all potential issues or defects. This Report is not an exhaustive examination of the Watch and specific components may not have been assessed due to various factors.

The Report should not be a substitute for obtaining professional advice. Potential buyers should view or arrange inspections and ask questions, as well as conduct any research they feel is necessary before committing to bid or buy. Any watch that is not brand new should be serviced after purchase.
